

# Butterfly Flitter-By Afghan

Size: Adjustable

## **Materials:**

9 OZ Worsted weight yarn

2 OZ worsted weight yarn-contrasting color

Crochet hook size "N" and "I"

## **AFGHAN BODY**

WITH "N" hook. Ch multiple of 3 + 2

Row 1: Ch in second ch from hook, \*ch 2, sk next 2 chs, sc. REP \* across. Ch 2(3), TURN.

Row 2: \*3 dc in ch 2 loop. REP \* across. 1dc in last sc. Ch 1, turn.

Row 3: Sc in top of FIRST dc. ch 2, \*sc in sp between next 3 dc group, ch 2. REP \* across to last dc. Sc in top of ch 2(3). ch 2(3), turn

Rep row 2 and 3 for pattern ending on a row 2. DO NOT FASTEN OFF

## **EDGING**

*Note: NEVER TURN THESE RND!*

1. Work 4 MORE dc in last sc on last row completed. Working down side of afghan, Place 3 dc in each end of DC rows. Sk sc row ends. Work in this manner until next corner. Work 5 dc in corner.

Now working across bottom, \*3 dc in each ch 2 loop. Rep \* till next corner. Work 5 dc in corner. Working on other side, 3 dc in the end of each DC row. Sk sc rows. Work till next corner. Work 4 DC in this corner because ch 2(3) at the beginning of last full row worked will count as 1 dc for corner. Fasten off.

2. Join CC. Continuing with "N" hook, Join with sc to any space in between 3dc groups. ch 2, \*sc in between next 3dc group. ch 2. REP \* around to 5dc for corner. Sc in between last 3 dc group before the 5 group. Ch 2. Sk 1 dc, sc in next dc. ch 3, sc in between next 3dc group. Continue \*. Work all corners the same. Join to first sc.

3. Next row: Sl st in first ch loop ch 2(3), 2dc in same loop. 3dc in each loop till corner 2 loops. Work first corner loop the same (3dc in loop). In the second loop (3dc, ch 1, 3dc). Continue in 3dc in each ch loop. Work next 3 corners the same way. Join to ch 2(3)

4. Last row: Dc in each dc around. Place ch 2 at each corner for corner turn allowances and for the weaving of the "butterfly".
