

Everyday Raglan Sweater

This easy design is actually a one piece raglan! By using sport weight yarn and large hooks like "N" and "K", this fast sweater is a light addition to any new baby's wardrobe.

Sizes: Newborn & 6 months

Jo Goff tried this sweater, with G and H hooks and Bernat softee yarn. "This produced a beautiful preemie sweater" she says. The size was: chest 7 1/2" & length 8". Thanks so much, Jo, for testing the pattern! :-)

NOTE: To make a 6 month size, follow all directions and hook sizes **EXACTLY!** *EXCEPT*, use worsted weight yarn through out instead of sport weight.
